## Welcome to the fourth edition of PID E-news

It has been a busy six months in the PID space since our last edition of PID E-news. The Independent Statutory Review of the *Public Interest Disclosure Act 2013* (PID Act) wrapped up with a Report and a number of recommendations for reform.

The Ombudsman's office also published an Annual Report on the operation of the PID Act last financial year. We were pleased with agencies' cooperation and timeliness to fulfill this important legislative reporting requirement.

Having gone through the Review, and our third Annual Report on the operation of the PID Act, it is a good time to reflect and build upon what we have learnt in the two and a half years since the PID scheme commenced.

We hope you enjoy this edition of PID E-news
