## Ombudsman assessment

Mr X was granted a Bridging visa on 9 October 2015 and released from immigration detention.

Mr X was detained on 30 April 2013 after arriving in Australia aboard SIEV *Ramsgate* and was held in detention for more than two years before being granted a Bridging visa.

In the absence of any health and welfare information provided by DIBP the Ombudsman is unable to assess the adequacy of health care provided to Mr X while he was in immigration detention.

The Ombudsman notes that DIBP considers that Mr X is subject to the bar under 46A and, at the time of its review, no processing of his protection claims had commenced.

On the basis of the information available to the Ombudsman at the time of this report, it would appear that Mr X may not have been subject to the s 46A bar due to his arrival and detention on the Australian mainland as an apparent 'direct entry person' on 30 April 2013.

The Ombudsman notes that DIBP has commenced an internal investigation into the issues raised by the Ombudsman's own motion investigation and provided a response to some of the issues on 20 April 2016. The Ombudsman is considering DIBP's response and makes no recommendations in this report.
