Recent visa applications/case progression

The Department of Immigration and Border Protection (DIBP) advised that the family's case is affected by the judgment handed down on 2 September 2015 by the Full Federal Court (FFC), which found that the International Treaties Obligations Assessment (ITOA) process was procedurally unfair. The Minister appealed the FFC decision and on 27 July 2016 the High Court found that the ITOA process was not procedurally unfair.	
19 April 2016	The family lodged a Safe Haven Enterprise visa application.

Health and welfare

The family was provided with treatment for physical issues including hepatitis B, allergies, asthma and migraines. They were also provided with treatment and counselling for a range of mental health issues including depression.
