Ombudsman assessment

Mr X and his family were granted Bridging visas with associated THS visas on 14 August 2015 and released from immigration detention.

Mr X and his family were detained on 20 October 2012 after arriving in Australia aboard SIEV *Nangle* and were held in detention for more than two and a half years before being granted Bridging visas.

The Ombudsman notes that DIBP considers that Mr X and his family are subject to the bar under s 46A and, at the time of its review, no processing of their protection claims had commenced.

On the basis of the information available to the Ombudsman at the time of this report, it would appear that Mr X and his family may not have been subject to the s 46A bar due to their arrival and detention on the Australian mainland as apparent 'direct entry persons' on 20 October 2012.

The Ombudsman notes that DIBP has commenced an internal investigation into the issues raised by the Ombudsman's own motion investigation and provided a response to some of the issues on 20 April 2016. The Ombudsman is considering DIBP's response and makes no recommendations in this report.
