Ombudsman assessment/recommendation

Mr X and his family were granted Bridging visas with associated THS visas on 6 May 2015 and released from immigration detention.

In the absence of any health and welfare information provided by DIBP the Ombudsman is unable to assess the adequacy of health care provided to Mr X or Master Z while they were in immigration detention.

The Ombudsman notes that Mr X and his family were detained on 14 April 2013 after arriving in Australia aboard SIEV *Ealing* and were held in detention for over two years before being granted Bridging visas. The Ombudsman further notes that, at the time of DIBP's review, processing of the family's claims for protection had not commenced.

The Ombudsman recommends that the Minister lift the bar under s 46A and processing of the family's protection claims commence as soon as possible.
