Mr X was transferred to an RPC and returned to Australia for medical treatment. The department advised that it is exploring options to resolve Mr X's immigration status.

The Ombudsman notes the advice from IHMS that Mr X has a medical condition that requires ongoing treatment.

The Ombudsman notes with concern the Government's duty of care to detainees and the serious risk to mental and physical health prolonged and apparently indefinite detention may pose.

The Ombudsman notes that without an assessment of Mr X's claims it appears likely he will remain in detention indefinitely.

The Ombudsman recommends that the department expedite the resolution of Mr X's immigration status.
